To the SC Office of Regulatory Staff  
and SC Public Service Commission,

Advance Relocation and Storage Systems, Inc. would like to express our sincere appreciation for your service to us as a South Carolina business. Gaining a PSC/ORS certificate has been a long process for our company and you have made it as seamless as possible. We are proud to become part of the community and begin servicing household good moving services in South Carolina with this authority.

The entire Public Service Commission present at the hearing on May 1, 2019 was genuine, supportive, and welcoming. Tom Allen, Jenny Pittman and Thomas McGill of the Office of Regulatory staff have been wonderful to work with. The advice they each gave us helped guide us and ensure our understanding of the full process. We cannot thank all of you enough!

If any of you are looking to move in the future to or from the South Carolina Low Country or Georgia Coast, please let us know! We will be more than happy to facilitate your move!

Thank you sincerely,

BERT SMITH
